## McCULLOUGH'S DISPLAY BOXES OF VEGETABLE and FLOWER SEEDS.

In Attractive Lithographed Packages. We put up only full sized papers. Do not be mislead by cheap offers of half sized papers.

The varieties are such as our experience has shown to be the most popular and salable.

We commission no seeds, and therefore have no old stock returned. We know what we require for our trade and grow accordingly. The great outlet for old seeds which commission houses have, is supplying seeds in bulk, which are generally purchased by the inexperienced merchants "because cheap," but unfortunately they never consider the great distress such goods cause those who sow them.

**10-cent packets of vegetables and Flower Seeds,  
6 cents each; \$5.00 per 100.**

Orders for less than 1 lb. will be charged higher rates.  
Orders for less than 10 lbs at 1 lb. price 10 lbs. and over at 100 lb. price.
